

# Health & Safety

## IOSH Certification

### Working Safely

**A one day programme to provide delegates with an overall awareness of health and safety**

**Aim:** Designed to give the delegates an overall awareness of the simple steps that can be taken to reduce the effects that individuals can have on health and safety. To satisfy the requirements of IOSH Managing safely course

**Benefits:** Participants will:

- ◆ Correctly identify controls required for reducing risks to health and safety
- ◆ Understand their role in working safely and keeping both themselves and others safe at work

**Programme:**

- ◆ Welcome and Introduction to the Course
- ◆ Defining hazard and risk
- ◆ Identifying common hazards
- ◆ Improving safety performance
- ◆ Protecting your environment

**Approach:** Candidates will complete practical exercises, group discussions and individual tasks. Key notes will be provided in the form of IOSH Working Safely Workbook (Maximum 12 delegates)
